Company Profile

Introduction

Rownak Textile Mills Ltd was established in 1999, since then the company has become one of the successful and reputed amongst textile sector in Bangladesh.

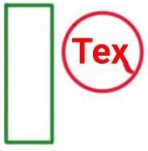

Our factory is enlisted as a first-class supplier in Director General of Defense Purchase (DGDP), Ministry of Defense. It has gained immense success in the tender in DGDP. It is proof of our professionalism in the RMG. In turn, we are helping to make a decisive step towards having the full vertical structure of the textile industry. This step enabled the company to have a better hold of controlling time and quality to produce garments for export having an extreme competitive advantage regarding quality, delivery deadlines, and economical production costs, all of which are central prerequisites for successful competition in the global market.

We are the real manufacturer of all kinds of Woven and Knit garments. Our product is made utilizing top quality yarn that is gained from our own source as well as reliable experts across the world. We make use of world-class in-house foundation and modern machinery as well as simple hand tools that help in providing high-quality fabric in large volumes and varieties.

We are specialized in all kinds of knit and woven apparel for men, women, and children .We are also exporting Tote Bags to Japan along with other **knit and woven garments** Since 2009 with high reputation all over the world. Throughout the years we are manufacturing brand item of as follows:

- Toms, Japan
- Trade Works, Japan
- Explorer, Europe
- Takeda Corporation, Japan
- The Triple Pole Inc, Canada
- DHL, UK
- Finn Flare, Russia
- Carry, Poland

Our team of talented designers and strong, reliable workforce is our asset who ensures quality finished products. We are devoted to offering timely delivery of goods and services at affordable prices.
